FOLIAGE PLANTS: Special price list on Foliage Plants March 15th.

ROSES: Goodwins Wonder Rose - Countess Vandal, Crimson Glory, Floradora and many others budded on rootstock adaptable to alkaline soils. These will be ready for Fall delivery. See these Roses now growing in our fields. They are excellent for the Southwest.

CONDITIONS OF SALES

All prices quoted in this list are F.O.B. MISSION, TEXAS.

TERMS: While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. This price list will cancel all previous quotations. It is understood that all orders accepted are subject to availability of stock at time of delivery.

CLAIMS: Claims must be made immediately upon receipts of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of stock ordered.

We carefully pack all stock and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company.

PLEASE FILE A CLAIM AT ONCE with the transportation company, if your stock has been damaged or delayed in transit.

NON-WARRANTY: Goodwin Nurseries gives no warranty, express or implied, as to the variety or productivity of any nursery stock it sells. Liability is limited to the purchase price.

PACKING: There is no charge made on packing lining-out stock (2 $\frac{1}{4}$ ", 3" and 4" pot sizes). Please remember that shipping the larger plants (1 and 5 gallon sizes) by express or motor freight is very expensive. Not only are the transportation charges high, but it is necessary that nursery stock be packed which means a packing charge as follows: 1 gallon cans - 10¢; 5 gallon cans - 40¢.

MINIMUM ORDERS: Please keep in mind that an order to be shipped by express, parcel post, or Motor Freight must total \$20.00. PLEASE DO NOT ORDER LESS THAN THE FOLLOWING QUANTITIES OF ANY ONE VARIETY: 25 in all lining-out stock; 6 or multiples of 6 in 1 gallon containers.
